50	Early Pasture										

** Every spring bred female was confirmed pregnant. The above dates are an estimate and are not guaranteed. Spring Bred Cow Lots: 3,4,6,7,9,27,30,33,37,43,47,48, & 50 (+ several comm. hfrs) were not bred AI. "A.I., A.I./Pasture, & Early Pasture" denotes likely to calve early; "Pasture" denotes likely mid-season calving. All late-breeding spring bred cows were removed from consideration for the sale. The Fall Bred Cows will be exposed to the bull up until just before sale day. Therefore, it is too soon for an accurate pregnancy evaluation to be performed.
